

Mission Statement

First Step Housing is just that. We are dedicated to helping others with their first step. Our caring and helping hands will be working for and with those we serve.

Our goal is to provide a safe clean environment and to assist those we serve in reaching self-reliance and support their overall well-being.

We do this because we believe in others.

“The team at First Step Housing really care. The day I moved in they took the time to talk to me about my goals.”

Values

(K)kind- Support a Golden Rule environment

(I)informational- to provide information for growth and stability

(N)nurturing- to be nurturing though understanding and willing to listen

(D)dedication- to be dedicated and always do our best

Why Kind

Have you ever received a kindness token? If you have then you know these tokens are not to be kept yet passed along to the next person who is kind to you.

This concept is important to the founders of First Step Housing. It supports their giving hearts, encouraging, attitudes, and passion for motivating others.

Per Room
