Uncle Dave's Housing

[Dave Wohlman - Uncledaveshousing@yahoo.com](mailto:Uncledaveshousing@yahoo.com)

Safe and Affordable housing for men in South Los Angeles. Uncle Dave's Housing helps men transition back into society and find permanent housing. Our shared housing program is designed to support a purpose-driven 2nd chance at life. A new opportunity that values accountability, openness, sharing, and collaboration. Our housing offers a quiet place to sleep, and a safe place to call home. We believe by individuals sharing rooms that there is accountability and less chance to isolate and let mental health increase. By living together everyone shares resources and positive actions heed positive influence on each other. Each person learns to respect the house they live in.
