Additional services  
will also be  
provided at the  
event

## About

Project WeHope's Dignity On Wheels program provides a mobile shower, bathroom facility and laundry facility. This program is designed to connect to our community with services that are critical for wellbeing.

We offer:

- Hot showers
- Laundry facilities
- Personal care items
- Bathroom facilities

Showers and laundry are available on a first-come-first-served basis. Each 4-hour operation session may provide up to 30 showers and up to 14 single loads of laundry.

Each patron may use the shower room for 15 minutes total, which includes a 7-minute timed hot shower. Towels, bath mats and shower/body soap are provided.

Laundry is limited to only 1-2 pairs of pants, about 3 t-shirts, undergarments, and socks. Each patron is given a mesh bag to place their belongings inside and may fill only halfway to allow proper movement inside the bags for washing and drying inside the machines. Unfortunately, we do not have the capacity to wash blankets and heavy coats.

The mobile unit will be located at the South West end of the library parking lot.
