SanoConnect

Andrew Simontacchi - Andrew@sanoconnect.com

SanoConnect improves digital health accessibility for patient populations through the deployment of a FREE assistive communication device (tablet) made affordable by the FCC's ACP program!

A Brighter Day Recuperative Care

Johanna Montes - Johanna@abdrecup.org

A Brighter Day's key mission is to provide intern housing, medication support, case management, mental health services and other available resources for the homeless in our community.

St. Joseph Center's

Ana Rodriguez - Arodriguez@stjosephctr.org

St. Joseph Center's mission is to provide working poor families, as well as homeless men, women, and children of all ages with the inner resources and tools to become productive, stable and self-supporting members of the community. Recognizing the dignity that every person possesses is the cornerstone of St. Joseph Center's approach. We work to advance social and economic equity through both the services we offer as well as our hiring practices. We are an inclusive, diverse force for change.

Janssen Infectious Diseases and Vaccines

Joseph Leahy - JLeahy5@its.jnj.com

We at Janssen are entrusted with one of the most important jobs in the world. We aspire to transform lives by bringing life-saving and life-changing solutions to people who need them. We're committed to providing safe and effective medicines as well as the services and support that contribute to healthy outcomes. This calls for the best science, the most creative minds, and an openness to collaborate with researchers, governments, and patient organizations at every stage – from early discovery to market access and patient education.
