

Healthy Families America Home Visitation Program *For you, your baby and your family*

Trained Home Visitors will support parents to provide the best for their babies.

FREE voluntary home visits where parents will learn about:

- ◆ How to bond with their child
- ◆ Parenting Skills
- ◆ Hands on parent-child activities
- ◆ Child development stages
- ◆ Community resources and referrals

The Program Offers:

- ◆ Breastfeeding Support
- ◆ Infant Massage Demonstrations
- ◆ Family Goal Planning
- ◆ Supportive Developmental Materials

Core Values:

- Valuing Children
- Strengthening Families
- Engaging Communities

Our Vision:

All children receive nurturing care from their family essential to leading a healthy and productive life.

Available By Referral ONLY
