

SSG/HOPICS has established itself as a leading multi-service community-based service provider for some of the most at-risk individuals and families in Metro and South Los Angeles. We are well-known for our comprehensive and innovative program design and support to disenfranchised groups of all ages in need of services throughout Los Angeles County.

## OUR VISION

To provide the best quality of service to homeless and low-income households in South Los Angeles and surrounding areas. We seek to employ the most qualified staff available and build our services and programs to meet the diverse needs of the community.

## OUR MISSION

HOPICS is dedicated to providing the highest quality innovative social service to South Los Angeles with an emphasis on behavioral health and housing stability.

## OUR SERVICES

### HOUSING AND HOMELESS SERVICES

#### Drop In Center (DIC)

This program is the South Los Angeles homeless access center for emergency intake, placement into shelter, transitional housing, and permanent housing referrals. Limited office hours.

*\*Broadway Location*

#### Intensive Case Management Services

The Department of Health Services funded program provides field-based intensive case management and housing navigation support to individuals that are homeless and recently from hospital or recuperative care facilities.

*\*Broadway Location*

#### Home and Family Program (HAF)

This program provides families experiencing homelessness with a pathway to permanent housing. HAF assists families with housing location and navigation, permanent placement, short to medium term rental assistance, and support to sustain housing once the assistance has ended. Our goal is to help families obtain permanent housing and sustain housing once the assistance has ended.

## SUBSTANCE USE AND MENTAL HEALTH SERVICES

### Community Assessment Service Center (CASC)

SSG/HOPICS is the designated substance use disorder (SUD) Assessment and Services Center for SPA 6. CASC provides SUD assessments, referrals and placement into appropriate treatment; and provides case management and linkages to ancillary services. The CASC serves all adult populations. CASC staff are co-located at County offices including Probation, Children and Family Services and Public Social Services.

### Outpatient Substance Use Disorder Treatment

These programs provide outpatient treatment, education, counseling and rehabilitation to individuals with substance use disorders. The Family Drug Dependency Court program (FDDC) serves parents assigned to SUD treatment by a judge. FDDC aims to empower parents to become drug and alcohol abstinent, thus increasing the likelihood of family reunification. The Day Reporting Center (DRC) serves male transitional age youth ages 18 to 25. DRC aims to reduce risky behaviors and stop the cycle of recidivism.
