

If you are a young, black man who

*Earn \$130
or more in cash*

*Hurry, enrollment
ends soon!*

has a
smartphone

is HIV-positive

is gay or bi

Participate in a UCLA research study

to test an app-based HIV program

Protocol ID:IRB#17-001615 UCLA IRB Approved Approval Date: 1/19/2018 Through: 12/6/2018 Committee: North General IRB

The **LINX LA Study** studies a new smartphone app to improve medical care and address social work and legal needs among young (between the ages of 18 and 29), black, gay and bisexual men living with HIV

If you are eligible, you may earn **\$130 or more in cash** over a 12 month period & enter monthly drawings* to win **\$100 e-gift cards**

* Participation in the study is not required in order to participate in the drawing.

If you're interested in participating, go to **www.LINXLAStudy.com** or call us at **(310) 983-1461** to see if you're eligible
