

MARCH 1ST, 2017

WHO / WHAT / WHERE

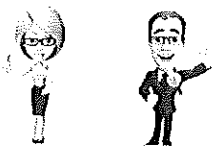

- Pacific Lyons Care was founded with a goal of assisting people living with HIV/AIDS.
- Our team of Benefits Specialists and Case Managers assist the community with navigating health care and social service programs while providing a friendly atmosphere for healthy social interaction.
- Our Wellness Center is located in the heart of West Hollywood on Santa Monica Boulevard and Westbourne.

CASE MANAGEMENT

- Our intake process involves collecting basic information such as name, date of birth, address, phone number, etc..
- Required documents: ID/DL/Passport, Insurance cards, Diagnosis of HIV
- Our case managers provide a radical member experience by offering one-on-one consultations. Members have direct access to our Case Managers via cellphone.
- Case Managers are very proactive in assisting members in obtaining required missing documentation.

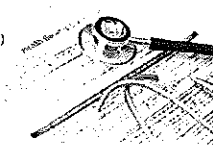

BENEFIT SPECIALISTS

- Every PLC member is assigned to one of our in house benefits specialists to assist them with all aspects of their care.
- We formulate an individualized care plan based on the information collected during the intake process.
- Our benefits program includes:
 1. Healthcare Insurance
 2. Food and Financial Assistance Programs
 3. Housing Programs
 4. Transportation Services
 5. Community Building
 6. Career Development

HEALTHCARE INSURANCE
