SPA 4 Coordinated Outreach

Need assistance with homeless outreach efforts in your area? Contact the SPA4 Outreach Coordinator
Outreach Coordinator: Jesus Torres
Email: jesust@epath.org

What is CES?

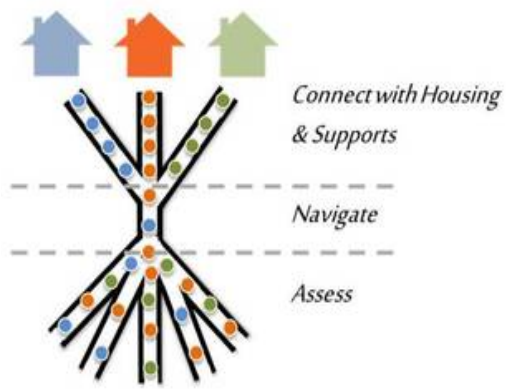
The Coordinated Entry System (CES) brings together existing programs into one system connecting homeless adults to the best resources that meet their needs.

CES is designed to eliminate housing waiting lists having 1 survey that connects to real-time housing opportunities.

CES utilizes a standard survey to help service providers better understand a homeless individual's health and housing needs.

Who is Eligible for CES?

Single individuals experiencing homelessness.



How does the CES process work?

Homeless individuals are surveyed using the CES Survey Packet.

Once the survey is complete, the individual is officially entered into the CES housing data-base and receives a contact sheet to follow up with a specific CES Hub.

The homeless individual's Housing Navigator *(i.e. Street Outreach Worker, Case Manager, Social Worker, Social Service provider)* will contact the surveyed individual if there are any re-sources that they may qualify for.

Benefits of CES

CES

Greater Los Angeles Coordinated Entry System

Survey Packet

CES ensures every homeless individual is known by name.

CES connects an individual to supportive services based on their unique needs.

CES matches individual to permanent housing based on the right fit.

SPA 4 CES Regions or HUBS

SPA 4 is broken into 5 regions or HUBS

- Downtown Los Angeles
- NELA (Northeast Los Angeles)
- SEW (Silverlake, Echo Park, Westlake)
- Hollywood
- Midtown

How do you get started?

The first step is to complete the CES Survey Packet in order to be placed in the CES Database.

You can visit the closest CES Access Site or contact the CES Coordinator that services your area and population.
