Housing Opportunities for Persons with AIDS (HOPWA)

SRO Housing Corporation is the largest provider of affordable single room-occupancy in the Western United States.

We operate a special program for individuals, who are homeless, low-income and living with HIV/AIDS called Housing Opportunities for Persons with AIDS (HOPWA).

We are a private, nonprofit, community-based organization dedicated to building a vibrant community for homeless and low-income individuals in the Central City East (Skid Row) neighborhood of downtown Los Angeles. We pursue our mission of community revitalization by providing clean, safe, affordable housing, managing public spaces, and administering needed supportive services.
