

REENTRY PROGRAM

Turning Point's Re-Entry Program utilizes a collaborative whole person care model to help people who have been recently released from incarceration to successfully transition back into the community as productive members.

Turning Point Community Health Workers have lived experience to assist program participants with linkage to vocational and educational training, assistance with job placement, housing support, and other supportive services

Even while in custody, men and women with upcoming release dates can contact Turning Point to begin developing an individualized service plans that will serve as a personal framework for their rehabilitation upon their release.

SUPPORTIVE SERVICES

Turning Point provides court-approved programs services to both adults and adolescents:

- Alcohol & Drug Education
- HIV / AIDS Testing & Education (Charles Drew Medical Center)
- Group and Individual Counseling
- Domestic Violence Classes
- Anger Management Classes
- Parenting Classes

MENTAL HEALTH

Turning Point provides Mental Health Service to individuals that will assist them to manage mental health challenges.

Turning Point's goal is not merely to assess, and treat mental symptoms, but to equip individuals with the tools necessary to achieve meaningful lives and relationships. Turning Point Mental Health provides services to individuals and families.

HOUSING TEAM

Turning Point Intensive Case Managers Work with homeless individuals assisting them with obtaining permanent housing who are transitioning back into society and have nowhere else to turn.
