

Hello Participating Organizations,

Thank you for your time. Low Income Shared Housing appreciates your participation in doing your best as Los Angeles citizens, at putting a major dent in Los Angeles homelessness. We also appreciate those looking to improve their current housing status.

As you can see below the rooms (**Slot**) are not yet claimed as of now. We are encouraging you to add your client's name to the list, and schedule a viewing with LISH Management. Email the list back to us with your client(s) name(s), and we will reply with a confirmation email. Please be sure to also include a possible date that you would like yourself and client to view a particular location.

Adding your client(s) name(s) and contact information to the list will not necessarily guarantee the room for them. However, we will hold, and schedule the room for that individual to interview first and have priority if they are approved to move in. There is a contact number below, as well as an email address where you can schedule a viewing. As a reminder, all locations come fully furnished with an oven, microwave, refrigerator, washer and dryer for each unit. Please do not forget all the services (below) that we offer at all our locations. Again we appreciate you and your organization's assistance.

Contact us by phone: 213-544-1169 / 424-567-9087

Email: Contact@LISHWISH.org
