

Are you 55+ and need help understanding your iPhone, tablet or other device?

THE CYBER SENIOR PROGRAM FROM INDEPENDENCE AT HOME

is here to connect you to friendly experts who can help you better understand and use your tech devices...at no cost!

One toll-free call starts it all:
1-866-421-1964 (TTY: 711)

Call today to find out how you can get connected with a technology expert.

Or reach us by email at communityoutreach@scanhealthplan.com
