

# Monthly Network Meeting

## Wednesday, December 4, 2020

· 10:00am **Check In**

### **Presenters**

#### **Bresee Foundation**

**Eric Diego - [Ediego@bresee.org](mailto:Ediego@bresee.org)**

Bresee Foundation is a Youth Center and Family Source Center that provides a variety of community programs and resources. Their mission is to battle poverty by empowering youth and families in Los Angeles with the skills, resources, and relationships necessary to thrive"

#### **California Castle Properties (CCP)**

**Evan Walker - [Info@californiacastleproperties.com](mailto:Info@californiacastleproperties.com)**

California Castle Properties is a pioneer in the affordable housing market. Serving the City of Los Angeles, CCP provide low-rent living spaces in a co-living environment with all the comfort of a home.

#### **UCLA School of Dentistry**

**Luis Quinones - [Lquinones@dentistry.ucla.edu](mailto:Lquinones@dentistry.ucla.edu)**

Access to oral health care for people living with HIV/AIDS (PLWHA) remains a critical — and unmet— goal. The UCLA School of Dentistry has been awarded Ryan White funding to help meet these needs and provide comprehensive dental care at no cost to the patient. Patients will receive diagnostic services such as exams and radiographs; preparatory work such as cleanings and removal of tooth decay; and restorative care including fillings, crowns and other prostheses; and surgical care such as extractions and periodontal surgery. There will also be an emphasis on prevention and early detection of oral diseases by periodic oral cancer screenings and teaching patients about the importance of proper oral care.

#### **The Salvation Army Shallow Subsidy Program**

**Jorge Garcia - [Jorge.Garcia@usw.salvationarmy.org](mailto:Jorge.Garcia@usw.salvationarmy.org)**

The Salvation Army Shallow Subsidy Program provides rental assistance to individuals or families who are enrolled in a Rapid Re-housing program and need ongoing rental assistance to maintain their housing due to rent burden and limited income. The main goal of the program is to provide Housing stability and to prevent individuals and families from falling into homelessness.
