Community Education

Presentations are provided to public and professional audiences on a variety of topics of interest to older adults such as depression, grief and loss, elder abuse prevention, caregiver issues and spirituality.

Eligibility

We provide mental health services to adults 55 and older who may be experiencing a life transition, stress, anxiety, depression, loss, or other difficult issues. We serve individuals whose mental health issues range from mild anxiety and depression to bipolar disorder, schizophrenia, and chronic or major depression. Services are tailored to address the unique needs of each individual.

Fees

We accept Medicare, Medi-Cal, Medicare supplemental insurance and have a sliding fee scale. Low income seniors with no insurance may be eligible to receive services free of charge.

Office Hours

*Monday - Friday
8:30 am to 5:00 pm*

We offer you the option of receiving services in the clinic or in your place of residence if there is a reason you cannot come into the clinic.
