A network of friends, inspired by Gospel values, growing in holiness and building a more just world through personal relationships with and service to people in need.”

Adventist Health White Memorial - Welcome Baby Program

Victoria Enciso - Encisovs@ah.org

Welcome Baby is a FREE home visiting program that can provide pregnant women and their family personalized support, education, and resources during pregnancy and into early parenthood.

Alcoholism Center for Women (ACW offers Substance Abuse Residential, Intensive Outpatient Treatment, and Outpatient Counseling Programs)

Sherlyn Johnson - Sjohnson@acwla.org

ACW’s mission is to empower women to make new choices for positive futures. To fulfill our mission, ACW offers a continuum of gender responsive trauma informed programs with the goal that each woman we serve will maintain abstinence, and restructure their lifestyle to include prevention and recovery support systems.

The Housing Rights Center (HRC)

Crystal Letona - Cletona@housingrightscenter.org

The Housing Rights Center (HRC) works for justice and equality in housing. HRC provides free housing counseling and workshops to empower tenants and landlords to understand and assert their rights. HRC also investigates and combats discrimination in housing to protect the rights of all residents of Los Angeles and Ventura Counties.
