Capital Drugs is a Full-Service Community Pharmacy ready to meet your medication and compounding needs. We are proud to provide the community we serve since 1986 and continue to expand our role in Southern California. We take pride in our trained and caring staff who will guide you through your questions and concerns.

Door of Hope

[Regina Dupree - Regina@doorofhope.us](mailto:Regina@doorofhope.us)

[Natalie Smith - Natalie@doorofhope.us](mailto:Natalie@doorofhope.us)

Our mission is to equip families facing homelessness to transform their lives through our homelessness prevention program and our transitional housing program.

Mills Clinical Research

[Nelson Guzman - Nelson.guzman@millsclinicalresearch.com](mailto:Nelson.guzman@millsclinicalresearch.com)

To prioritize the holistic health of our patients through personalized care that is authentically invested in our patients' well-being. We pride ourselves in having empathetic, culturally sensitive, and highly-competent providers and clinical research staff to successfully provide quality healthcare and quality clinical trial opportunities for all.

Being Alive

[Silvia Jimenez - Sjimenez@beingalivela.org](mailto:Sjimenez@beingalivela.org)

To end HIV infections by eliminating stigma, engaging people in wellness, removing barriers to care, and restoring dignity.

Central Living Center

[Michael Miller - Info@michaelmillerrealty.com](mailto:Info@michaelmillerrealty.com)

The mission of Central Living Center is to assist unsheltered individuals throughout Los Angeles by providing them with a supportive environment, and by offering space to community-based agencies that provide comprehensive case management and referral services.

**A very special “thank you” to Capital Drugs for providing
our breakfast and Curtis Tucker Health Center for offering their space!**
