

# HOPWA Regional Offices 2023

<b>What is a HOPWA Regional Office?</b>	
A Regional Office is a starting point of entry for PLWH to access case management assistance thru the HOPWA (Housing Opportunities for People Living with HIV/AIDS) program. Through the Regional Office a PLWH can access Section 8 and affordable housing listings; financial rental assistance programs; housing information and referrals; legal services; support animal advocacy; and many other supportive services that can eliminate barriers for People Living with HIV/AIDS from finding and maintaining permanent housing.	
<b>What is a Housing Specialist?</b>	
To access HOPWA programs, you must first register with a Housing Specialist at the nearest <b>Regional Office</b> . The Housing Specialist can assist you with locating, applying for short-term rental assistance, maintaining affordable and appropriate housing, and/or other services. Contact your Regional Office to make an appointment with a Housing Specialist.
